### Road Closure:

Effective May 30, 2017, the Mohawk Gate (ACP 15) changed hours of operation to 5:00 am – 6:00 pm. Traffic throughput levels did not necessitate the continued operation of this gate past 6:00 pm. The DES continues to analyze traffic throughput and will make adjustments as necessary.

• • •

### Effective Tuesday, September 1, 2015, the installation access processes changed as follows:

- All Soldiers, Family Members, DoD Civilians, Retirees and any other DoD identification card holder will show their DoD ID at the gate for entrance to the installation. Passengers (with proper ID) can be escorted onto the installation.
- Customers who routinely access Fort Hood can get an extended access pass at the visitor center, i.e. contractors, school teachers, bank workers, but will not be able to escort other visitors. These customers can get a bulk issue of passes for their employees. Business owners or management staff will submit a memo to DES with employee(s) name(s), date of birth, driver's license number / state ID and last 4 of social security number.
- All non-DoD drivers and passengers are required to report to the Visitors Welcome Center to obtain an installation access pass. Children under 17 years of age may be vouched for by an adult.
- The Visitors Welcome Center is open 24 hours per day.
- There is no change to the firearms registration program. All firearms must be registered prior to transporting onto Fort Hood. Firearms registration can be completed at the Visitors Welcome Center or the Military Police station on 58th and Battalion Avenue.

## **Directorate of Plans, Training, Mobilization and Security (DPTMS) Tornado and Wildfire Information Sheet As of July 7, 2017**

Fort Hood is now in the summer season. Listed below are resources Fort Hood units and Family members may use to increase preparedness and reduce risks associated with the tornado and wildfire seasons.

***Tornadoes:*** Tornado season in Texas is typically March through August, but tornadoes can occur any month of the year. Strong winds are the most destructive aspect, with gusts reaching as high as 300 mph. Eighty percent (80%) of tornadoes occur between noon and midnight. While some areas are more prone to tornadoes than others, they can occur anywhere, so it is best to be prepared.

***Wildfires:*** Fire season in Central Texas is typically May through October. However; Fort Hood is subject to range fires year around as we conduct training in our established range and training areas. Wildfires can start unexpectedly and spread quickly. You may not be aware of a wildfire until you are in danger, so it is important to be prepared.

## National Preparedness Month Information

The Senior Leadership of the Army has proclaimed September 2017 as the Army's National Preparedness Month (NPM).

The observance of NPM serves to encourage Army Leaders, Soldiers, their Families, and Civilians to prepare for all-hazards emergencies at home, work, and throughout the Army Community. The Army promotes NPM and the Federal Emergency Management Agency's (FEMA) NPM 2017 theme "Don't Wait, Communicate. Make your Emergency Plan Today" in order to prepare for, mitigate, prevent, respond to, and recover from the effects of natural or man-made disasters.

READY ARMY is the Army's proactive awareness campaign to increase the resilience of the Army community and enhance the readiness of the force by informing Soldiers, their Families, Army Civilians, and Contractors of relevant hazards and encouraging them to Be Informed, Make A Plan, Build a Kit and Get Involved. The READY ARMY website [www.acsim.army.mil/readyarmy](http://www.acsim.army.mil/readyarmy) is a great place to start.

POC: Mark Peterson, USAG, Fort Hood Emergency Manager, (254) 553-2782.

### ***See Something, Say Something***

Suspicious activity is any observed behavior that could indicate anything from criminal activity to terrorism-related crime. This can include seeing unusually placed items or situations that are out of the ordinary, a person eliciting information such as the operations or security procedures for a facility or the personnel employed, or someone paying unusually close attention to facilities or operations beyond casual or professional interest. Some of these activities could be innocent, it's up to law enforcement to determine whether the behavior warrants investigation. The activities above are not all-inclusive, but have been compiled based on studies of pre-operational aspects of both successful and thwarted criminal and terrorist events over several years.

Informed, alert communities play a critical role in keeping us safe. We can all help in keeping our community safe by paying attention to our surroundings and reporting suspicious activity to local law enforcement. If you see suspicious activity, report it to 288-COPS (Fort Hood) or the local law enforcement agency immediately. Describe specifically what you observed to include who or what it was, when you saw it, where it occurred, and why it's suspicious. Your diligent observation and reporting of any suspicious activity could help someone in your community or prevent a crime or even a terrorist event.

### [Army Emergency Relief \(AER\)](#)

#### Did You Know...

**...Army Emergency Relief has provided more than \$1.7 billion in assistance to Soldiers and Families since 1942?** That assistance has been provided to more than 3.6 million Soldiers and Families in the form of no-interest loans and grants, as well as scholarships to Children and Spouses of Soldiers. Each case is evaluated on its own merits and there is no “boiler-plate” answer. AER should be the first stop when a Soldier is confronted with a financial emergency. Please contact AER for further information! Let them know how they can be of assistance.

**...Army Emergency Relief has reciprocal agreements with the other Service Aid Societies?** AER assistance is available at any of the 78 AER sections located on Army installations around the world. However, if you find yourself in a situation where you are not near an Army installation, AER has agreements with the Air Force Aid Society, the Navy-Marine Corps Relief Society and Coast Guard Mutual Assistance. All can...and have processed AER assistance requests. Additionally, if you are not near any military installation, AER also has an agreement with the American Red Cross. Just call their 24 hour call center at 877-272-7337 and they can process your request.

#### **Army Emergency Relief has its own APP for smart phones?**

The APP contains information about AER assistance and scholarships, as well as explaining the assistance process...and where to go to get assistance. The APP is available for both iPhones and Android phones.
