Road Closure:

Effective May 30, 2017, the Mohawk Gate (ACP 15) changed hours of operation to 5:00 am – 6:00 pm. Traffic throughput levels did not necessitate the continued operation of this gate past 6:00 pm. The DES continues to analyze traffic throughput and will make adjustments as necessary.

• • •

Effective Tuesday, September 1, 2015, the installation access processes changed as follows:

- All Soldiers, Family Members, DoD Civilians, Retirees and any other DoD identification card holder will show their DoD ID at the gate for entrance to the installation. Passengers (with proper ID) can be escorted onto the installation.
- Customers who routinely access Fort Hood can get an extended access pass at the visitor center, i.e. contractors, school teachers, bank workers, but will not be able to escort other visitors. These customers can get a bulk issue of passes for their employees. Business owners or management staff will submit a memo to DES with employee(s) name(s), date of birth, driver's license number / state ID and last 4 of social security number.
- All non-DoD drivers and passengers are required to report to the Visitors Welcome Center to obtain an installation access pass. Children under 17 years of age may be vouched for by an adult.
- The Visitors Welcome Center is open 24 hours per day.
- There is no change to the firearms registration program. All firearms must be registered prior to transporting onto Fort Hood. Firearms registration can be completed at the Visitors Welcome Center or the Military Police station on 58th and Battalion Avenue.

Fall/Winter Weather Information Sheet

• • •

Fort Hood is nearing the beginning of the 2017-2018 winter season. The Greater Fort Hood area is subject to severe winter weather, including snow, sleet and freezing rain through April.

Fort Hood has an established and proven procedure to determine and announce the Installation's Operational Status of Open, Closed, Open under Delayed Reporting or Open with Early Dismissal. Multiple media venues, both on and off post, are used to inform the Greater Fort Hood Community of changes to the Installation's Operational Status.

Killeen Independent School District (KISD) with its eight schools on Fort Hood (one middle, six elementary and one early college) works closely with Fort Hood when schools are impacted by winter weather.

Listed below are resources Fort Hood units and Family members may use to increase preparedness and obtain information to reduce risks associated with severe winter weather.

1) III Corps and Fort Hood Regulation 385-2; Procedures for Cold Weather Operations and Hazardous Road Conditions, dated November 5, 2013.

2) 3rd Weather Squadron forecast updates are available at <http://www.hood.army.mil/3ws/>

See Something, Say Something

Suspicious activity is any observed behavior that could indicate anything from criminal activity to terrorism-related crime. This can include seeing unusually placed items or situations that are out of the ordinary, a person eliciting information such as the operations or security procedures for a facility or the personnel employed, or someone paying unusually close attention to facilities or operations beyond casual or professional interest. Some of these activities could be innocent, it's up to law enforcement to determine whether the behavior warrants investigation. The activities above are not all-inclusive, but have been compiled based on studies of pre-operational aspects of both successful and thwarted criminal and terrorist events over several years.

Informed, alert communities play a critical role in keeping us safe. We can all help in keeping our community safe by paying attention to our surroundings and reporting suspicious activity to local law enforcement. If you see suspicious activity, report it to 288-COPS (Fort Hood) or the local law enforcement agency immediately. Describe specifically what you observed to include who or what it was, when you saw it, where it occurred, and why it's suspicious. Your diligent observation and reporting of any suspicious activity could help someone in your community or prevent a crime or even a terrorist event.

[Army Emergency Relief \(AER\)](#)

Did You Know...

...Army Emergency Relief has provided more than \$1.7 billion in assistance to Soldiers and Families since 1942? That assistance has been provided to more than 3.6 million Soldiers and Families in the form of no-interest loans and grants, as well as scholarships to Children and Spouses of Soldiers. Each case is evaluated on its own merits and there is no “boiler-plate” answer. AER should be the first stop when a Soldier is confronted with a financial emergency. Please contact AER for further information! Let them know how they can be of assistance.

...Army Emergency Relief has reciprocal agreements with the other Service Aid Societies? AER assistance is available at any of the 78 AER sections located on Army installations around the world. However, if you find yourself in a situation where you are not near an Army installation, AER has agreements with the Air Force Aid Society, the Navy-Marine Corps Relief Society and Coast Guard Mutual Assistance. All can...and have processed AER assistance requests. Additionally, if you are not near any military installation, AER also has an agreement with the American Red Cross. Just call their 24 hour call center at 877-272-7337 and they can process your request.

Army Family Action Plan (AFAP) Issue Submission

AFAP is the process in which we, the Army Family, have the opportunity to tell our leadership what is working well in the Army, what isn't, and what we think will fix the issue. By submitting your issues to AFAP, you shed light on the concerns you have with the quality of life within the Army and give leadership your ideas on how to resolve those issues.

AFAP issues can be submitted to any AFAP Issue Submission box (located at various locations on post); at Lane Volunteer Center; Army Community Service; Oveta Culp Hobby Soldier & Family Readiness Center (OCHSFRC); faxed to (254) 288-3650, emailed to usarmy.hood.imcom-fmwrc.list.ACS-AFAP@mail.mil, or submitted online through www.myarmyonesource.com (AFAP Issue Management System).

For additional information, call the Fort Hood AFAP office at (254) 287-AFAP (2327) or (254) 286-6600.
