CALIBER MILITARY COMBINE

At Caliber Collision, we're dedicated to going the extra mile for our military service members. That's why we were so proud to team up with the Dallas Cowboys to host our second annual Military Combine, an event dedicated to giving back to those who gave so much for our country.

During the Prelims Event on February 24, 2018 at The Ford Center at The Star, active duty military service members came out to test their tenacity, each competing in the same drills as those at the NFL Combine:

40-YARD DASH | VERTICAL JUMP | SHORT SHUTTLE | BROAD JUMP | PUSH UPS | ENDURANCE RUN
