COMMUNITY SERVICES COUNCIL MEETING – May 23, 2018
SUGGESTED TOPIC UPDATES

Suggested Topic Updates

TOPIC 1:

Access to Care – No Show Rate Solution

EXPLANATION/ DISCUSSION:

Charge the patient / enrollee

PROPOSED

1st time No Show - \$25.00

RECOMMENDATION:

2nd time No Show - \$50.00

3rd time No Show - \$1,000.00

**4th time No Show – Drop
enrollee**

RESPONSE:

Pending

TOPIC 2:

**Handicapped Parking Stalls –
Misuse by those who do NOT
have mobility related disabilities.
It is a major problem on post.**

EXPLANATION/ DISCUSSION:

**Disabled Veterans with PTSD,
sleep apnea and other NON-
mobility related disabilities use
up “all” (or MOST) of the
handicapped parking spots.
Also, spouses of disabled
veterans use their spouses’ tags
to illegally park. People in
wheelchairs have to park far
away.**

PROPOSED

RECOMMENDATION: Please install “wheelchair only” handicapped parking across the installation!

RESPONSE 1:

Parking Enforcement:
The DES enforces parking violations in accordance with Texas Traffic Code. We do not have a legal basis for questioning someone with a placard or a DV plate. If they display either, we do not ticket the vehicle.

PROPOSED

RECOMMENDATION: Please install “wheelchair only” handicapped parking across the installation!

RESPONSE 2:

Signs:

We do have "Van Accessible Only" handicapped parking in every parking lot in accordance with the Americans with Disabilities Act Accessibility Guidelines (ADAAG). The ADAAG calls for 1 per eight disabled spaces or at minimum per parking lot. Unfortunately, people with regular disability park in the van accessible

installation!

RESPONSE 2:

Signs (Continued):
spaces even though they are
designated for vans with the
wheel chair lift. Also, there is
nothing in the act that prevents
regular ADA tagged vehicles
from parking in those spaces.
Enforcement of authorized
parking in handicapped areas is
the responsibility of DES.

PROPOSED

RECOMMENDATION:

**Please install “wheelchair only”
handicapped parking across the
installation!**

TOPIC 3:

Safety of Crossing in front of Meadows Elementary School on Fort Hood Boulevard. Lots of cars drive over red in the morning when school starts and children are crossing the road.

EXPLANATION/ DISCUSSION:

Cars can also make a right on red leaving Meadows school onto Fort Hood Blvd. while children are crossing the road; occasionally cars on Fort Hood also drive over red on Fort Hood Blvd. maybe because they are blinded by the sun in the

**EXPLANATION/
DISCUSSION:**

**(Continued)
putting away their IDs after
entering the gate.**

**PROPOSED
RECOMMENDATION:**

**No right on red, create an extra
signal for cars needing a right on
Fort Hood Blvd., maybe try to
make lights more visible esp. in
the morning.**

RESPONSE:

To prevent limited visibility and glare from the sun during peak morning hours, back plates can be installed for all east and west signal heads during the next scheduled maintenance.

Additionally, there is a pedestrian signal that allows safe crossing at the intersection. We will continue to monitor crossing at this intersection to determine if additional time is needed to cross safely and whether we need to place a "no crossing on red" sign.

TOPIC 4:

Fort Hood Family Housing – Response and Communication with Residents

EXPLANATION/ DISCUSSION:

Made a call from my quarters about a snake. Was told someone would be out that this was a priority. 3(ish) hours later, nothing. I finally called the Garrison Commander to get results. The person that finally came to pick it up didn't say he was there.

PROPOSED

RECOMMENDATION: Provide better communications to residents.

RESPONSE

The work order was called in and created on 21 Apr 18 at 4:50 pm. The call was dispatched to the site at 5:00 pm and assigned to our on-call pest control technician. Our records show that the snake was located inside a crate, and was picked up by the technician. The work order was closed out at 6:20 pm that afternoon. For pest control service after-hours, our technicians are contacted upon

RESPONSE

(Continued)

receipt of an emergency or urgent service request. Our records do not show the call took 3 hours to complete. Our standard procedure is to notify residents upon response to their home. I cannot confirm that the resident was notified upon response based on the notes that were provided by my technician in our database.

TOPIC 5:

Speeding in housing areas

**EXPLANATION/
DISCUSSION:**

**Lighter later = more kids outside
longer = greater risk for kids
getting hit.**

**PROPOSED
RECOMMENDATION:**

**Please announce in CSC what
the speed limit in housing areas
is on Fort Hood (15? 20?) and
encourage leaders to make their
Soldiers aware.**

RESPONSE

**Unless otherwise posted, the
speed limit in FT Hood Housing
Villages is 20 mph.**

TOPIC 6:

Hood Hero Ceremony

EXPLANATION/ DISCUSSION:

Many of the Soldiers that are awarded during this ceremony are meal card holders. Since the ceremony is held during lunch hours they have to pay for their meal in order to eat or just skip out of lunch.

PROPOSED

RECOMMENDATION:

In the past, all awardees were given a ticket and were able to eat lunch at no cost. Since this has now change, our recommendation is to change the Hood Hero Ceremony to an earlier time or later time that does not affect meal card holders.

RESPONSE

The Hood Hero Program is a III Corps Commanding General directed program executed by USAG Garrison. Requests to change must be proposed through the III Corps SGS for consideration and approval.

RESPONSE

Since the inception of the III Corps Hood Hero Luncheon and Award Ceremony in 1999, all awardees and guests have been required to pay for their meal. Some units at their discretion pay for their awardees' meal. The current meal ticket cost of \$13.75 covers cost for food and renting the Club Hood Grande Ballroom. The USAG ceremonies team ensures awardees, sponsors and guests are notified of the price and details to purchase tickets.

May 2, 2018

We are very pleased to announce our plan to relocate the Fort Hood Medical Home to the newly constructed West Killeen Medical Home located at 5200 Bunny Trail, Killeen, Texas. We have eagerly anticipated the completion of this facility designed with the needs of Family Members and Retirees in mind. Your current enrollment to Fort Hood Medical Home makes you one of the first beneficiaries identified to receive care in this new facility. We anticipate opening the West Killeen Medical Home in July 2018.

Our goal is to make this transition as seamless as possible and ensure you continue to receive the quality care and services you currently enjoy. In order to do this, clinic hours for West Killeen will remain the same as the current Fort Hood Medical Home. For your convenience, laboratory and pharmacy services will be provided onsite making this new medical home your one-stop for your primary care needs.

We understand how important it is for you to make decisions concerning how and where you receive healthcare services. If you DO NOT wish to receive care at the new West Killeen Medical Home, we can help you find another clinic or new primary care manager. Please contact a member of our Beneficiary Services team at 254-288-8155 by May 31 for assistance. If you prefer to move to the new West Killeen Medical Home there is no action required on your part.

We will contact you again in early June with a more detailed move timeline and a map to the new facility. Thank you for the opportunity to serve you. CRDAMC - Your Partner in Health!

Sincerely,

David R. Gibson

FACT

The 100 Critical Days of Summer are one of the most dangerous and deadliest times of the year on the nation's highways due to a significant jump in alcohol related traffic crashes and fatalities. In Texas, it is ILLEGAL to operate a boat, jet ski, and/or any recreational motor powered vehicle while intoxicated.

FACT

Excessive alcohol consumption increases aggression and, as a result, can increase the risk of physically assaulting another person.

FACT

Teen Alcohol use kills 4,700 each year- MADD

FACT

88,000 deaths are annually attributed to excessive alcohol use.
