COMMUNITY SERVICES COUNCIL MEETING – June 27, 2018
SUGGESTED TOPIC UPDATES

Suggested Topic Updates

TOPIC 1:

Hiring Life Guards

EXPLANATION/ DISCUSSION:

The hiring process for lifeguards seems to be broken. Knowing when the pools are to open and scheduling the certification classes early doesn't seem to be enough to get adequate lifeguards hired in time.

PROPOSED

RECOMMENDATION:

Streamline the process- submit the full number of positions to be hired in January rather piecemeal them, I'd be happy to discuss the problem we've encountered with our daughter applying.

RESPONSE:

We understand the hiring process can be a challenge. The Sports, Fitness and Aquatics team will be working closely with the Non-appropriated Funds (NAF) Human Resources Office (HRO)

RESPONSE (Continued):

to streamline this process and submit as many positions as possible. In 2019, the hiring process will start in January. The Aquatics team will remain in contact with all individuals that take part in DFMWR Lifeguard courses through the hiring process. If you experience any issues in this process, please reach out to the Aquatics team for support.

TOPIC 2:

24/7 GYM

EXPLANATION/ DISCUSSION:

The gyms on post are great but hours are not the greatest. Soldiers in the field or on shift work are missing out.

PROPOSED RECOMMENDATION:

Leave a gym open until midnight or 24/7.

RESPONSE:

We understand the interest in having a 24/7 Physical Fitness Center on post and are currently working on an initiative to establish a 24/7 fitness operation in the III Corps building (Bldg. 1001). Once the operation has been established, we will push the information to our customers via social media and various marketing avenues to ensure widest dissemination.

TOPIC 3: **None**

**EXPLANATION/
DISCUSSION:** **None**

**PROPOSED
RECOMMENDATION:** **Keep the meeting moving this
quickly each month. Great Job!!**

RESPONSE **Thank you!**

TOPIC 4:

Would like PowerPoint slides presentation given out to the tables instead of schedule of speakers.

**EXPLANATION/
DISCUSSION:**

Would like to take notes and use as a reference after the meeting.

**PROPOSED
RECOMMENDATION:**

Double-sided paper with 2 slides per page should work without using too much paper.

RESPONSE

The Community Services Council (CSC) Meeting supports the NetZero 2020 initiative. All CSC documents, to include the slides, are available in a digital format on the CSC webpage at <https://hood.armymwr.com/programs/information-and-referral>. Wifi is available during the meetings to promote use of digital technology. Additionally, attendees are able to print documents to support their personal needs prior to the meeting.
