Conserving the Fighting Strength Since 1775

Pharmacy Update

- Recent Tricare policy changes have affected Pharmacy Services
- Since February 1, 2018 CRDAMC pharmacies have experienced:
 - 114.67% increase in hardcopy prescriptions
 - 121.98% increase in pharmacy wait time
 - Average wait time is approximately 32:49
 - Max Wait time – up to 2 hours

ARMY MEDICINE
One Team... One Purpose!
Conserving the Fighting Strength Since 1775

Our Response

In order to improve the Patient Experience by increasing access and decreasing wait times the following policy changes will be effective November 26

- **ALL CRDAMC Pharmacies** will accept hard copy prescriptions
 - Drop-off service requiring pick-up in 2 hours
- **CRDAMC Main Pharmacy** will accept and fill refill prescription requests
 - Will have two refill locations Clear Creek and Main Pharmacy
 - Beneficiaries can use TOL, Secure Messaging, or call the Pharmacy Refill number

Community flu shots postponed due to delays in shipment

FORT HOOD, Texas - Due to shipment delays, Carl R. Darnall Army Medical Center officials have postponed the start of the community flu shot program. Originally set to begin Oct. 15, current information suggest the flu vaccine will be available for community members in early November.

We apologize for any inconvenience this delay may cause.

The current delay is not expected to affect the community flu vaccine round up set for 9 a.m. - 2 p.m., Dec. 1 at the Clear Creek PX.

The community round up is open to all eligible TRICARE beneficiaries.

Family Members and Retirees may obtain a flu shot at a TRICARE-authorized pharmacy. Beneficiaries are encouraged to check the policies and procedures of their preferred pharmacy prior to obtaining the vaccine. Some pharmacies require a prescription for children under seven years old. Parents can obtain a prescription from their primary care manager.

DIRECTORATE OF EMERGENCY SERVICES

**Halloween Support
31 October 2018**

DES Support

Police Presence

The DES will provide an increased police presence in Fort Hood Housing areas on Halloween Night from 1800-2000.

Police patrols will include both mounted and dismounted to ensure everyone has a safe Trick or Treating experience.

Trick or Treating Safety Tips

- Halloween is one of the installation's lowest crime nights
- Turn on your porch lights if you are participating in Trick-or-Treating
- Wear bright-colored clothing or reflective material to make you easier to see in hours of darkness
- Carrying flashlights will help children see and be seen more clearly
- SLOW DOWN
- Watch for children walking in between cars and darting across roads
- Use sidewalks
- Know where your children will be going and who they will be with. Establish a route to be taken to and from their destination.

Trick or Treating Safety Tips (Continued)

- Set time limits and check in times
- Children should be reminded not to enter ANYONE'S home
- Insist that treats be brought home for inspection before anything is eaten

Fire Safety

- Choose costumes, wigs, and props that are flame resistant/retardant.
- Avoid candles, if at all possible, and tell children to stay away from open flames including jack-o-lanterns with candles in them.
- Remember to keep exits clear of decorations, so nothing blocks escape routes.
- Did you know that decorations are the first thing to ignite in 900 reported home fires each year? Two of every five of these fires were started by a candle.
