## Fort Hood Chief of Child and Youth Services

Welcome to the fall edition of CYS Sensations!

As many of you are very busy with back to school activities, I want to remind you of the amazing community Fort Hood is part of. Our area school districts share in this partnership with CYS, bringing military Families a strong and connected community of support for each child's educational success. The Fort Hood CYS School Liaison Officers work with the following school districts in the Fort Hood Community: Belton, Copperas Cove, Florence, Gatesville, Jarrell, Killeen, Salado, and Temple Independent School Districts. These districts are committed to supporting your student's academic success. Regardless of where we come from, each of us has a primary goal for our children, and that is to nurture their growth and help them reach their full potential. CYS would like to partner with you, as parents, and invites you to take an active role in helping your children reach their educational goals.

An informed parent is an involved parent. You, as a military Family on the go, are in need of intentional, continuous and purposeful information, especially when it comes to school support services (public, private, charter, or home-school). CYS School Liaison Officers are here to help you make informed decisions regarding your child's education.

Each year, a Schools Council Meeting is held to provide an opportunity for school districts, the installation and Families to work toward a successful educational experience for all Military connected students. It allows for positive experiences in education, as well as issues of concern to be addressed. The meeting is open to the public and also provides information and updates on current topics relevant to military students.

One way to become more involved and contribute to your student's success within the community and their respective schools is by filling out a Community Input Form. These forms are available to provide feedback related to kindergarten through 12th grade, or even higher education. The completed forms can be submitted to the CYS School Liaison Office.

The CYS School Liaison Officers are a wonderful resource and have access to a wealth of information. They stand ready to assist you in your quest to be an informed and involved parent. Thank you for making Fort Hood CYS your partner in education!

The CYS School Liaison Office is located in the Rivers Building, 121, Room 147, 761st Tank Battalion Avenue, 254-288-7946 or [usarmy.hood.incom-fmwrc.list.cys-slo@mail.mil](mailto:usarmy.hood.incom-fmwrc.list.cys-slo@mail.mil). ## Fort Hood Child and Youth Services

It's that time of year . . . Back to School Time and the Fort Hood CYS School Liaison Officers (SLOs) are happy and excited to support welcoming students back and updating parents on any educational needs. The SLO's are ready to assist with information, resources and any support you may need to ensure your students have a successful and productive school year.

If you have questions regarding schools, we can assist with finding answers and solutions. We work with the nine school districts surrounding Fort Hood, including Belton, Copperas Cove, Florence, Gatesville, Jarrell, Killeen, Lampasas, Salado and Temple Independent School Districts.

The CYS SLO office works with our transitioning Families to ensure a seamless transition into our local school districts. Support programs such as Youth Sponsorship, provided through the CYS Youth Centers allow transitioning students to be connected with an existing teen with similar interests and hobbies. Each Youth Center also schedules exciting, educational events and activities monthly. Please refer to this booklet and your area Youth Center location for more information.

Our Fort Hood Region Initiating Educational Networks and Developing Support Systems (FRIENDS) initiative was developed to connect Military student leaders with the Fort Hood community in creating student centered solutions, aimed at addressing transitional issues, while providing mentorship and leadership development. Our FRIENDS program meets quarterly with high school students from the area school districts and engages them in interactive Teen Leadership, Career and College Readiness activities and Teen Resilience.

The CYS SLO office also works with the area Home School Families to assist with information and support. We have resources on innovative learning opportunities and share activities through email monthly. If you would like to be on our email list please come by our office and complete a form. We also sponsor a Resource Fair twice a year to ensure Home School Families are familiar with the resources available on Fort Hood and the surrounding communities.

Killeen ISD provides PreK-3 and PreK-4 programs, at the on post schools, and these programs are available to students who meet the eligibility requirements. School enrollment for PreK through 12th grade is ongoing and will take place at your child's zoned school.

Are you concerned about your child's education and ensuring a smooth transition for each PCS? Then *Go to the SLOs!*

Your Fort Hood CYS SLOs are where you go for school transition and education support assistance. The CYS SLOs are the Army's designated "point person," responsible for serving as the liaison between Families, local school districts and various other community partners in education to promote quality education and academic support for military children and youth. They provide information on the educational process and assist parents in maneuvering through the school system. While CYS SLOs are not advocates, they are here to inform and link military Families to the individual, group, or other resource that can hopefully address and resolve the issue. They also provide necessary tools to empower parents to be advocates for their children's education.

**The** time has come again for backpacks, notebooks, pencils, and brown bag lunches. The kids are heading back to school! As you prepare your students for another academic year, know that Child & Youth Services (CYS) is here to assist you with all your childcare and enrichment needs. Our four School Age Centers, available for all children attending on-post elementary schools, is ready to provide your children with the care you need and the fun they crave. Before and after school care includes homework help, technology activities, arts, crafts and physical activities with their school mates.

Additionally, we proudly offer four Youth Centers available for our middle and high school students. Free tutoring, leadership clubs, basketball courts, pool tables, video games and teen-designed programs await your youth. And if you cannot bring your youth to the center, the CYS Teen Taxi will pick the teens up from school and drive them to the local CYS Youth Center for free!

After your student finishes homework and chores, don't forget about all of the great classes such as martial arts, music lessons,

STEM classes, dance, gymnastics and tons more available through SKIESUnlimited!

Do you need special assistance with your child's education? The CYS School Liaison Officers are available to assist you with every transition your young scholar may face.

During this hectic season, don't forget to take care of yourself! After a long week of being chauffeur, home tutor, personal chef, housekeeper, and life coach to your children, you may need a break! Fort Hood CYS proudly offers "Give Parents a Break!" each month. On the second Saturday of each month, CYS offers child care hours to give parents the chance to relax. We will take care of the kids. You take care of you!

Back to school is an exciting time for Fort Hood Families. A new school year marks the beginning of new opportunities and exciting new challenges. The entire CYS team is privileged to assist you and hopes we can help your children and youth grow, develop and conquer the 2018-2019 school year!
