Blue Card Updates

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

TOPIC 1:

Housing

EXPLANATION/ DISCUSSION:

Not provided.

PROPOSED RECOMMENDATION:

Most posts we have been stationed at have had neighborhood Mayors. These people serve as a sounding board for the residents of their community. They can communicate directly with housing on a regular basis.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

RESPONSE

This is a program that III Corps and Fort Hood Garrison leadership are currently looking to reinstate. The Neighborhood or Village Mayor is a volunteer position and has been a challenge for the Fort Hood Family Housing Villages to find someone who is willing to fill these positions.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

TOPIC 2:

Housing

EXPLANATION/ DISCUSSION:

The comment was made that housing is at 98% capacity and we can only house 24% of the eligible SM here on Fort Hood.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

PROPOSED RECOMMENDATION:

What about privatized housing – we have civilians living on post, yet SM can't get a house on post in a timely manner and end up signing leases off post for more than their BAH. It seems SMs should have priority. In my neighborhood in Field Grade Housing, we have neighbors that only live in their house on

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

PROPOSED RECOMMENDATION (Continued):

Saturday and Sunday (they drive trucks Monday through Friday), yet we have SM who have no house. So frustrating. Can we discuss how privatized housing works at the next meeting? Maybe if I understand it better, I could explain it to our incoming SMs and Families.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

RESPONSE

Thank you for your question.

This subject can be discussed at the next Community Services Council meeting

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

TOPIC 3:

Gate Hours at Santa Fe Gate (ACP6)

EXPLANATION/ DISCUSSION:

ACP6 is closed on training holidays and Darnall is open. There is a significant increase in time to get on or off the installation during peak hours for both staff and patients.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

PROPOSED

RECOMMENDATION:

Adjust gate hours. Close earlier daily and remain open on training holidays. Recommend gate open M-F, 0600-1830.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

RESPONSE

Historical traffic throughput at Santa Fe Gate has made this a limited access gate with limited hours. The gate is located in close proximity to ACP 1 (Bernie Beck Gate) which is open 24/7. Utilizing Bernie Beck Gate to on training holidays to access CRDAMC makes for an added drive time of only 2-3 additional minutes.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

RESPONSE (Continued...)

Additionally, ACP 3 (Clear Creek Gate) offers another avenue to quickly access Darnall Hospital. The CRDAMC DASG operate Santa Fe Gate on Training Holidays for outbound only traffic during evening egress to ease traffic congestion.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

TOPIC 4:

Clark Road Gate is backed up at certain times during morning and afternoon.

EXPLANATION/ DISCUSSION:

Seems (to be) tied to coming to work and leaving...traffic backed up significantly around 1630-1700.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

PROPOSED

RECOMMENDATION:

**Open Cove gate during
select times to alleviate
traffic on Clark Road.**

**Close # of gates of Clark
Road to compensate.**

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

RESPONSE

ACP 14 (Old Copperas Cove RD Gate) has historically experienced low traffic throughput volume. Low traffic throughput and the Senior Commander's intent to reduce Borrowed Military Manpower (BMM), where possible, resulted in the closure of this gate. It is not anticipated that this ACP will reopen.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

TOPIC 5: **Pothole repair on Clark Road**

EXPLANATION/DISCUSSION: **Pothole repair was happening; but the team was stopping in (the) middle of (the) road w/no warning and traffic control.**

PROPOSED RECOMMENDATION: **Fill potholes at midnight. Have traffic control (nothing further).**

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

RESPONSE

We have readdressed the importance of safety and proper traffic control techniques with all our road crews and traffic management personnel. Performing road work at night reduces visibility and increases the chances of injury to personnel and equipment.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

TOPIC 6:

Drinks

PROPOSED RECOMMENDATION:

We really appreciate the coffee. Can bottle(d) water be an option? Thanks.

RESPONSE

Family and MWR appreciates the question from the meeting attendee. A beverage dispenser filled with ice water is available in the back of the Community Events & Bingo Center.

COMMUNITY SERVICES COUNCIL MEETING – March 27, 2019

BLUE CARD UPDATES

RESPONSE (Continued...)

Bottled beverages are available for purchase in a vending machine located in the foyer.
