### TOPIC 1: Recycle

- **Explanation/Discussion:** Currently the Fort Hood Recycle Center has an issue with their garbage trucks being out of service, as a result, garbage isn't being picked up regularly and is accumulating.
- **Proposed Recommendation:** Fort Hood initiative to provide garbage bags for units and give each unit a drop off time to assist with the garbage issue.
- **Response:** Thank you for your recommendation. While Fort Hood Recycle does not recommend trash bags, we do have collection bins available (photo shown), that units may pick up to collect recycle materials and drop off at the Recycle Center.

### Back to School Safety

#### Traffic Signals & Crossing Guards

- Never cross the street against a red light, even if you don't see any traffic coming. Wear reflective clothing and bright colors so drivers can see you easier.
- Plan a safe walking route to school or the bus stop. Choose the most direct way with the fewest street crossings and if possible, with intersections that have traffic controls.
- Advise children to arrive early for buses, stay out of the street, and to wait for the bus to come to a complete stop before approaching the street.

### Back to School Safety

#### Tips for Drivers

- Be watchful around schools and bus stops for children running into the street.
- Watch for children entering the street from behind buses or running to catch the bus.
- Deliver and pick your children up as close to the school as possible. Don't leave until they are safely on school grounds.
- Drive slowly when approaching children riding bicycles and walking near the street.
- Watch your speed when entering school zones.

**OPERATION RIDE HOME** Bringing Families Together The Jack Daniels and the Armed Services YMCA Operation Ride Home program helps bring military families together for the holidays. Operation Ride Home sponsors travel for eligible service members and their dependents to travel from their duty station back home to spend time with their families. Reconnecting military families during this special time of year is one small way Operation Ride Home is strengthening military families.

**PROGRAM DETAILS:** Travel assistance of up to \$400/family member Participants are determined and prioritized based on financial need Travel destination must be at least 350 miles from the service member's installation Participants must complete an application and submit a video testimonial.

**PROGRAM ELIGIBILITY:** Applicants must be Active Duty E4 or below (dependents may not complete the application unless their service member is currently deployed) Family members must travel with their service member, unless he/she is deployed at the time of travel To apply through ASYMCA Killeen applicants must be stationed at Fort Hood (if you're located at another installation please contact your local ASYMCA for details) Command approved with financial need.

**OPERATION HOLIDAY JOY** Helping make the holidays brighter for military families Operation Holiday Joy was initially established in collaboration with Woman's Day Magazine and their readers to raise awareness and funds for military service members and their families during the holidays.

Since 2004, Operation Holiday Joy has donated more than \$1.3 million for military members and their families. This program has allowed us to purchase and distribute more than 320,000 toys as well as deliver over 25,000 baskets of food for Thanksgiving and Christmas to junior enlisted families in need.
