Librarians assist you in setting up and exploring the database in order for you to have the freedom to connect on any computer no matter where you are located.

Our databases serve our military when away from their home allowing them to access information from anywhere. For families, we have databases for children and adults for learning and leisure.

OBSERVANCE

**CULTURAL
AWARENESS**

JANUARY

MARTIN LUTHER KING, JR. DAY OF SERVICE FACTS

- Martin Luther King, Jr. was a fundamental force behind the Civil Rights Movement in the United States.
- He encouraged all citizens to apply the principles of nonviolence to make this country a better place to live.
- King was assassinated April 4, 1968, while standing on the balcony of the Lorraine Motel in Memphis, Tennessee.
- Legislation was signed in 1983, creating a federal holiday honoring his birthday.
- In 1994, Congress designated the Martin Luther King, Jr. Federal Holiday as a national day of service, and charged the Corporation for National and Community Service with leading this effort.
- Taking place each year on the third Monday in January, the MLK Day of Service is the only federal holiday observed as a national day of service - empowering individuals to strengthen their communities and create solutions to social problems.

All labor that uplifts humanity has dignity and importance and should be undertaken with painstaking excellence.

- Dr. Martin Luther King, Jr.
