Army Emergency Relief (AER)

Did You Know?...

...Army Emergency Relief has provided more than \$2 billion in assistance to Soldiers and Families since 1942. That assistance has been provided to more than 3 million Soldiers and Families in the form of no-interest loans and grants, as well as scholarships to Children and Spouses of Soldiers.

Fort Hood Community Information

Each case it evaluated on its own merits and there is no “boiler-plate” answer. AER should be the first stop when a Soldier is confronted with a financial emergency. Contact AER for further information! Let them know how they can be of assistance.

...Army Emergency Relief has reciprocal agreements with the other Service Aid Societies.

AER assistance is available at any of the 76 AER sections located on Army installations around the world.

However, if you find yourself in a situation where you are not near an Army installation, AER has agreements with the Air Force Aid Society, the Navy - Marine Corps Relief Society and Coast Guard Mutual Assistance. All can and have processed AER assistance requests.

Additionally, if you are not near any military installation, AER also has an agreement with the American Red Cross. Just call their 24-hour call center at 877-272-7337 and they can process your request.

Army Emergency Relief has its own APP for smart phones?

By submitting your issues to AFAP, you shed light on the concerns you have with the quality of life within the Army and give leadership your ideas on how to resolve those issues.

AFAP issues can be submitted at any time, by various means. Online at www.myarmyonesource.com (AFAP Issue Management System), emailed to usarmy.hood.imcom-fmwrc.list.ACS-AFAP@mail.mil, or hand carried to the AFAP office, located in the Shoemaker Center, 36000 Darnall Loop, 2nd floor, Army Volunteer Corps Office, #2821. Alert! Mass Warning and Notification System (MWNS)

The Alert! System is an emergency mass warning and notification system (MWNS) that provides Fort Hood with mass warning and notification during a crisis to warn affected military and DA civilian personnel.

The Alert! System relies on the contact information provided when individuals register. Anyone logging into a Fort Hood computer or network via the .mil connection not previously registered will be prompted to register.

Fort Hood Community Information

Alert! MWNS gives the chain-of-command the ability to notify you in the event of an emergency. The Alert! MWNS can communicate via desktop pop-up, telephone, SMS, and email. Ensuring your information is updated and correct will help increase Fort Hood Installation Operations Center notification capabilities and response times in emergency situations.

During emergencies, it is critical to be able to quickly and accurately inform Fort Hood personnel, notify them of threats and provide them with instructions. The system relies on the contact information you provide when registering with Alert!

For more information, contact Mr. Fred Corbin, USAG, Fort Hood Emergency Management Coordinator at (254) 553-2782 or Mr. Ed Rivera, Chief, Installation Operations Center at (254) 287-1994.

See Something, Say Something

Suspicious activity is any observed behavior that could indicate anything from criminal activity to terrorism-related crime. This can include seeing unusually placed items or situations that are out of the ordinary, a person eliciting information such as the operations or security procedures for a facility or the personnel employed, or someone paying unusually close attention to facilities or operations beyond casual or professional interest. Some of these activities could be innocent. It is up to law enforcement to determine whether the behavior warrants investigation. The activities above are not all-inclusive, but have been compiled based on studies of pre-operational aspects of both successful and thwarted criminal and terrorist events over several years.

Informed, alert communities play a critical role in keeping us safe. We can all help in keeping our community safe by paying attention to our surroundings and reporting suspicious activity to local law enforcement. If you see suspicious activity, report it to 288-COPS (2677) on Fort Hood or your local law enforcement agency immediately. Describe specifically what you observed to include who or what it was, when you saw it, where it occurred, and why it's suspicious. Your diligent observation and reporting of any suspicious activity could help someone in your community or prevent a crime or even a terrorist event.

For more information, contact Mr. Charles Elam (254) 287-3940, USAG Fort Hood OPSEC Manager.
