CORNHOLE RULES / SCORING

Rule 1: 1 point for bag on board. 3 points for in the hole.

Rule 2: Points cancel. See example picture:

Rule 3: If any part of the bag is touching the ground, it does not count.

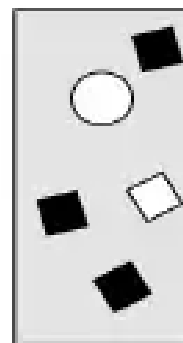

Rule 4: Roll-ups / Bounce-ups DO count.

Rule 5: If a team goes over 21 points they go back to 13 points.

Scoring: Games are to 21 points. Winning Team goes through to next round (Single elimination).

*Championship match is best of 3

Single Elimination Rounds: To determine which team tosses first please use the “rock, paper, scissors” methodology. After that, the player who goes first is the team that most recently scored highest. The first side of contestants alternate tossing their bags until they have thrown all four bags, then the remaining contestant (tossing from the other cornhole platform) continue to alternate in the same manner until all four bags are delivered and the inning completed. One contestant from each team shall be at each end of the court. When contestants are tossing their bags, the contestants at the other end shall be well behind the pitcher's box (for their own safety). At no time can a throwing contestant move beyond the end of their box into no mans land. Each winning team continues to progress to the next round until one team is victorious.

-Black has 3
