## After more than a year away, Science Saturday IS BACK!

It's required for life, and is the only substance we know of that can be liquid, solid, or gas at human survivable temperatures, but most people never stop to think about the water we use every day.

**October 16th**  
**Children Ages 8-12**

Join the library in exploring the mysteries of water with fun experiments you can recreate at home.

**Register Today! (254) 287-2716**
