## Staff Updates

### Carl R. Darnall Army Medical Center

<https://darnall.tricare.mil>

#### **Healthcare Operations:**

- To minimize the risk of COVID exposure, the Defense Health Agency has directed and requires all visitors, patients and staff members entering CRDAMC to wear masks where patients could be encountered, including all patient treatment areas, common hallways/corridors, the hospital cafeteria and front desks.
- For health questions and information, patients may contact the MHS 24-hour Nurse Advice Line at 1.800.TRICARE. Chat and video chat is also available at [mhsnurseadvice.com](https://mhsnurseadvice.com)

#### **COVID-19 Testing and Vaccines:**

- At-Home COVID-19 Test Kits are now available for those ages two (2) years and older who are enrolled at CRDAMC Internal Medicine, Pediatrics, Family Medicine Clinics and Community-Based Medical Homes. Enrolled beneficiaries may receive up to eight (8) kits per beneficiary per month. To receive the test kits, individuals are asked to stop by their clinic during business hours. Patients with active COVID-19 symptoms should contact the clinic before their arrival to discuss best testing options.
- Vaccinations can be received at beneficiary Primary Care Clinics and Community Based Medical Homes. Please contact your Primary Care Clinic or Community Based Medical Home through secure messaging at [patientportal.mhsgenesis.health.mil](https://patientportal.mhsgenesis.health.mil), or by phone to schedule a vaccination. Active duty service members can contact Bennett SCMH at (254) 618-8040/ (254) 288-6929 or Thomas Moore SCMH at (254) 553-8674 to schedule their vaccination. All eligible beneficiaries (active duty, family members, retirees, and DOD personnel) can receive the vaccines. The 1st and 2nd dose vaccines are available for all DOD-eligible beneficiaries 12 years and older, and the booster dose for beneficiaries 16 years and older. Please contact your primary care clinic home for an appointment.
- Booster shots are available for individuals who've already received their second Pfizer vaccine at least six months ago. For additional information visit: <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-with-medical-conditions.html>
- COVID-19 pediatric vaccinations for children 5 to 11 are offered at the Pediatric Clinic, Clinic 1 on the first floor of the hospital. For appointments, please call (254) 553-3523. Walk-ins are also welcome. Visit [www.vaccines.gov](https://www.vaccines.gov) to locate a network pharmacy that offers COVID vaccines for children outside of the Pediatric Clinic.
- Active duty service members must report to their assigned home clinic for COVID-19 testing during sick call hours 6:30 a.m. to 10 a.m.
- The Primary Care Clinics, Community Based Medical Homes, and Soldier Centered Medical Homes offer limited testing for patients experiencing COVID-19 symptoms. Beneficiaries can book an appointment by phone. Clinics will screen patients IAW DOD guidelines.
- The Emergency Department does not perform routine COVID-19 testing; however, it does offer official travel and OCONUS PCS 48-hour testing after regular duty hours. For more information call (254) 288-8114.
- Beneficiaries can contact their Primary Care Manager through the MHS Genesis Patient Portal Secure Messaging function and/or Patient Appointment Line at (254) 288-8888.
- MHS Nurse Advice Line (1-800-TRICARE) is available 24/7.

#### **MHS Genesis Call Center**

With the transition to MHS Genesis complete, the call center is closed and is no longer available for beneficiaries. If patients have questions, they should contact their clinic and/or provider.

# Fort Hood Community Information Sheet

## Patient Portal Services

Although all current medical records were transferred into the MHS Genesis Patient Portal (<https://patientportal.mhsgenesis.health.mil/>), we encourage beneficiaries to maintain their login credentials for TRICARE Online to access their medical records. Patients are encouraged to use the MHS Genesis patient portal to renew medications, secure message providers, and to review scheduled appointments and available medical records and results.

## Laboratory

The 1st Floor phlebotomy room hours of operation will remain the same, 7 a.m. - 4:15 p.m. Please note that appointments will not be scheduled after 3:15 p.m. to allow the staff to finish seeing customers still in the waiting area. Orders from providers outside of CRDAMC will still be accepted. In order to decrease wait times and improve the health care experience, patients with outside orders are directed to drop them off at the 2nd floor blood collection area. Once the orders are entered into MHS, the laboratory will contact the patient and coordinate a return for collection at the patient's convenience. For information related to laboratory services, please call (254) 553-8055.

## Allergy Clinic

The CRDAMC Allergy Clinic will no longer provide immunotherapy, immunization, or injections of biologics such as Xolair on a walk-in basis. To receive these services, appointments must be scheduled. Please call (254) 285-6335/ 553-0280 or proceed to CRDAMC Allergy Clinic, 2nd floor to schedule an appointment.

## Flu Shots

Contact your Primary Care Manager or assigned health clinic to request a flu shot. To find a participating network pharmacy, visit: <https://militaryrx.express-scripts.com/find-pharmacy>. Local pharmacies require a prescription for ages 3 to 6 years old. Please contact your PCM for a prescription.

Activate Remotely

**Q-Anywhere Remote System**  
to activate new prescriptions

To activate new prescriptions for pickup at Main Hospital Pharmacy or Clear Creek PX Pharmacy, use our remote system Q-Anywhere.

SCAN ME OR TEXT  
"Get in line" 1-855-812-6030

Once your request is submitted, you are free to read a book or run some errands and not wait in the pharmacy lobby. You will receive a text with your "Q" ticket number and later be notified when prescriptions are ready for pick-up. Your "Q" number is valid for the day it was issued; otherwise, check-in at the pharmacy kiosk to get a new ticket for medication pick-up within 7 days.

Alternatively, you may activate new prescriptions by calling the Pharmacy Call Center at (254) 288-8800 or in-person by checking in at the pharmacy kiosk.

Thank you for trusting us with your care.

## **Army Emergency Relief (AER)**

### **Did You Know?...**

**...Army Emergency Relief has provided more than \$2 billion in assistance to Soldiers and Families since 1942.** That assistance has been provided to more than 3 million Soldiers and Families in the form of no-interest loans and grants, as well as scholarships to Children and Spouses of Soldiers, each case it evaluated on its own merits. AER should be the first stop when a Soldier is confronted with a financial emergency. When you need help, call (254) 287-6483 or visit Army Emergency Relief in the Shoemaker Center, Bldg. 36000, 2d Floor.

### **...Army Emergency Relief has reciprocal agreements with the other Service Aid Societies.**

Assistance is available at any of the 76 AER sections located on Army installations around the world. If you find yourself in a situation where you are not near an Army installation, AER has agreements with the Air Force Aid Society, Navy - Marine Corps Relief Society and Coast Guard Mutual Assistance. AER also has an agreement with American Red Cross, for 24-hour assistance, call 1 (877) 272-7337 and they can process your request.

**Army Emergency Relief has its own APP for smart phones?** The APP contains information about AER assistance, scholarships, the assistance process and where to go to get assistance.

Volunteers are recruited for a wide variety of positions throughout the on and off-post communities. Individuals wishing to benefit from volunteer service may register their resumes and more. Organizations wishing to benefit from volunteer service may register their volunteer job descriptions with the Volunteer Center, whose staff will work to fill the positions with the right volunteers.

**Community Information Services (Information and Referral)** provides Fort Hood commanders, Soldiers and Families with timely, comprehensive information on both military and community resources that will assist in meeting basic needs and improve quality of life. Our database, with over 2,000 military and civilian agency resources at our fingertips, can get you connected to a service that can help you.

**Employment Readiness Program (ERP)** offers resources to help with your career plan and job search. Whether you're a military spouse or Family member who just moved to a new installation, Retiree, or DoD civilian looking for new opportunities, or active duty Military, active Reserve, National Guard member, or Wounded Warrior, we're here to help.

**Exceptional Family Member Program (EFMP)** provides comprehensive support to family members with special needs. EFMP takes an all-inclusive approach to coordinate military and civilian community, educational, medical, housing, and personnel services to help Soldiers and their Families with special needs.

**Family Advocacy Program (FAP)** helps Soldiers and their Families recognize and prepare for the unique challenges of military lifestyles. Our services include seminars, workshops, counseling, and intervention to help strengthen the relationships of Army Families. We are also dedicated to the prevention domestic abuse, child abuse, and neglect of Soldiers and their Families through offering education, prompt reporting, investigation, intervention, and treatment.

**FAP New Parent Support Program (NPSP)** promotes healthy Families through a variety of services including home visits, support groups, and parenting classes. We help Soldiers and Families learn to cope with stress, isolation, post-deployment reunions, and the everyday demands of parenthood. Army Families who are expecting a child or who have children up to age three can participate in all of our services confidentially and free of charge.

**Family Advocacy Victim Advocate Program** is a specialized function within FAP providing comprehensive assistance and liaison to and for victims of spouse abuse and sexual assault. The victim advocate serves as the primary POC (integrated within the existing FAP) to insure timely and complete care was provided to victims of spouse abuse and sexual assault. Victim advocates will provide information on resources available to assist victims of spouse abuse and sexual assault.

**Financial Readiness Program** is your resource for information on money matters. We can help you better understand financial topics like, military pay, checkbook/debit card management, financial responsibility, credit reporting, debt elimination strategies, saving, investing and budgeting.

**Mobilization, Deployment, and Support Stability Operations (MDSSO)** helps support community readiness during deployments and emergencies. We provide training and publications to help commanders, Soldiers and Families navigate the challenges of mobilization and deployment. We also have resources for rear detachment cadre and Soldier and Family Readiness Group (SFRG) leaders.

### **Emergency Communications**

The American Red Cross provides timely, factual reports about Family emergencies, such as a death, illness or birth, to Service Members wherever they are stationed. When a request is generated because of an emergency situation, defined as "a sudden, generally unexpected, occurrence of a time critical and short-term nature that disrupts or threatens to disrupt the norm and that demands immediate action or attention," the American Red Cross provides a third-party verification of the emergency for the Service Member.

Emergency Communications allows Service Members who are separated from their Families to remain in contact when time and accuracy are critical. The Emergency Communications Center and American Red Cross offices worldwide provide Emergency Communications around the clock.

walk-ins are still welcome. For more information call (254) 287-8029. To submit a request for child care, visit [MilitaryChildCare.com](http://MilitaryChildCare.com).

**Kids On-Site (KOS) Child Care** KOS is available for Unit FRG Meetings, unit events and Deployment briefings. For more information call (254) 287-7273.

## **Child Development Centers (CDC)**

The CDCs offer full day and before/after care for children enrolled in pre-kindergarten and kindergarten in on-post elementary schools, and hourly care programs for children six (6) weeks through prekindergarten age. A developmentally appropriate curriculum for young children is planned by the teaching staff with attention to the different needs, interests and developmental levels of each child. All CDCs offer trained teaching staff, balanced meals, age-appropriate developmental activities and all eligible CDCs are nationally accredited.

## **Family Child Care (FCC)**

The FCC program is a professionally managed network of adult individuals certified to provide child care in on-post government quarters for children four (4) weeks to twelve (12) years of age and provide programs such as extended hours [for parents who must go on temporary duty (TDY) or field assignments] or special needs care.

Fort Hood FCC homes may also offer hourly care services, part-day care, or before and after school care. All FCC providers are certified after meeting basic regulatory requirements and their homes are regularly monitored by FCC staff and inspected for fire, health and safety compliance. In addition, FCC providers work to obtain National Association for Family Child Care (NAFCC) accreditation using the same level of standards as CDCs and are encouraged to participate in special activities. For more information call (254) 288-3190.

## **School Age Care (SAC)**

The SAC program offers before and/or after school care for youths K-5th Grade that attend school on Fort Hood. Full day programs are offered during school-out days, but all sites are closed on Federal Holidays. Hourly care is also offered for grades K-5. Students are afforded the opportunity to engage in many activities and programs like 4-H, student elections and more. Programs offer opportunities for children to engage in STEAM projects, arts & crafts, digital arts festivals, gardening, robotics, field trips and more! All activities and events are age appropriate.

## **Youth Centers**

The Youth Centers are open to all Middle and High School teens. Services are available at Bronco Youth Center, High Chaparral Youth Center, Montague Youth Center, and Comanche Youth Center. All Youth Centers are open Monday-Friday 3:00 pm - 8:00 pm during the School Year and Monday-Friday 12:00 pm - 8:00 pm during School Breaks. Bronco Youth Center and Comanche Youth Center are open Saturday 12:00 pm - 8:00 pm (temporarily closed on Saturdays except for special occasions). All Youth Centers are closed on Federal Holidays. Teen programs include activities, events, and projects that are age appropriate. Each center offers a computer lab, leadership opportunities, special interests clubs, Teen Sponsorship, Educational Assistance, fitness/workout areas and many fun trips youth are eligible to sign-up for. Need a ride to the youth center? Look no further. Students in the Copperas Cove Independent School District (ISD) or Killeen ISD have the advantage of riding the CYS "TEEN TAXI" which is an afterschool pick-up service that will transport youth to designated Fort Hood Youth Centers at no cost.

## **Youth Sports and Fitness and Instructional Programs**

Fort Hood's CYS Youth Sports & Fitness (YS&F) program offers a wide variety of developmentally appropriate sports for children from three (3) years to eighteen (18) years of age. The recreational philosophy is to promote youth sports skill development in a fun environment, to promote sports

participation enhancing health and wellness for a lifetime. The CYS YS&F program is continuously growing in efforts to provide the most opportunities for youth to develop healthy everyday lives.

Sports are divided into seasons: Spring, Summer, Fall and Winter. We offer baseball, football, tennis, soccer, flag football, wrestling and a host of other sports. *Start Smart* "Mighty Minis" is a developmental sports program offered to our youngest athletes 3-5 year olds. Each session lasts 10 weeks, with Mighty Minis being two (2) sessions lasting five (5) weeks each.

The CYS YS&F program also offers camps throughout the year to include baseball, cheer and volleyball camps. Youth Sports & Fitness program are always looking for excited and energetic people to offer their services as volunteer coaches! Stop by our offices for more information. All children and youth must be registered with CYS and have an up-to-date Sports Physical in order to enroll. Parents can stop by Parent Central services at the Shoemaker Center, Bldg. 36000 for more information on registration or call (254) 287-8029. Contact your local Youth Sports offices in Bronco Youth Center at (254) 288-3770, Bldg. 6602 Tank Destroyer Boulevard or Parent Central Services Bldg. 36000 Shoemaker Lane at (254) 285-5482.

Instructional Programming for children from 6 weeks old to 18 years. Classes offered include Gymnastics, Dance, Martial Arts, Piano, Tumbling, STEM and Crafts. Instructional classes keep kids busy year-round. Classes can be found on our website at: <https://go.usa.gov/xn4rd>

## **CYS Nurse Specialist**

Interested in registering your child/youth with CYS, but they require medication and/or special accommodations? The CYS Nurse is here to help! The CYS Nurse is able to answer questions regarding shot requirements, health assessment/sports physical concerns, additional paperwork needed for certain diagnoses and much more. If you have a child that wants to participate but are unsure how their specific need(s) would be met, do not hesitate to call (254) 287-4240. The CYS Nurse is located in the Shoemaker Center, Bldg. 36000 and is there to answer questions and assist the children and Families of Fort Hood.

## **Unit Briefings**

Sometimes it's easier for one Education Services Division (ESD) team member to come to your unit to provide a briefing on Tuition Assistance, Credentialing Assistance, Education Opportunities, VA Benefits, ect. than for your soldiers to trickle in and back to work in a timely manner. If you would like ESD to come to your unit to provide a briefing on anything education related (we can even bring our on post school representatives if requested) please contact our Unit Program Manager, Jennifer Anderson, at [Jennifer.m.anderson66.civ@army.mil](mailto:Jennifer.m.anderson66.civ@army.mil) to get a briefing scheduled.

## **Unit Classes**

Do you support Soldier education and are looking to make that easier for your soldiers? Our 5 on-post schools can support unit classes. Unit classes are courses you've identified as a need—for example, perhaps you have 10 soldiers who need a basic writing class or Algebra 101. The best time for your soldiers is during lunch or perhaps 9:00 am - 10:00 am is the best time for your unit—you set the course, you set the time, you set the location (some units have space within their unit or it can be held at ESD). ESD then coordinates with one of our 5 on-post schools to make the magic happen. In addition, our schools can offer non-credit professional improvement sessions. For example, if you are looking for a lunch-time session (or anytime session) for your supervisors on Writing Appraisals or How to Provide Effective Appraisal Feedback, etc, then our on-post schools can assist in meeting your needs. There needs to be a minimum of 30 business days lead time in order to establish unit classes. Contact our College Program Manager if you are interested in learning more about establishing Unit Classes or non-credit sessions. Ms. Judkins can be reached at [frances.c.judkins.civ@army.mil](mailto:frances.c.judkins.civ@army.mil)

## **Tuition Assistance/Credentialing Assistance**

If you have not used TA/CA within the last 12 months, you are required to attend a Tuition Assistance (TA)/Credentialing Assistance (CA) Briefing. Briefings are offered Tuesday, 9:30 am & Wednesdays, 1:30 pm — no pre-sign-up required. Unit briefings can be accommodated upon request.

## **Testing**

Testing is available by appointment for the Army Personnel Testing (APT) such as AFCT, DLPT, DLAB, OPI, SIFT, TABE, ECLT, or Air Force (AFTADL), etc. Our APT test scheduling process is undergoing some changes. While we finalize that process, please contact testing at (254) 287-4292 to schedule an appointment.

## **Basic Skills Education Program (BSEP)**

The Commander's primary on-duty education program provides remediation in reading, mathematics, and test taking skills. The goal of the program is to raise GT scores for career advancement and reenlistment purposes, improve performance in training and job proficiency, hone math skills in

## **Colleges**

You can find representatives for the following partner colleges within the Education Center: Central Texas College (254) 287-8126; Excelsior College (254) 768-7894; Texas A&M – Central Texas (254) 501-5953; and University of Maryland Global Campus (202) 336-9650. Stop in and speak directly to a school representative.

## **CLEP or DSST Testing**

CLEP: The College-Level Examination Program (CLEP) is a series of computerized examinations in 34 introductory college subjects that allow individuals to earn college credit for what they already know about the subject regardless of how that knowledge is acquired. CLEP exams are 90 minutes long and are administered on computer. Test examinee receives instant score reports following completion of the exam with the exception of College Composition. The exams are made up primarily of multiple-choice questions; however, some exams do have fill-ins.

DSST: Through DANTES Subject Standardized Tests (DSSTs) exams, Service members and civilian learners can demonstrate that they have knowledge comparable to someone who completed the classroom course in the subject. DSSTs are offered in a variety of areas including various aspects of business, mathematics, subjects within social sciences, physical science, and humanities as well as foreign languages.

CLEP and DSST exams are free to Active Duty military. While offered via Central Texas College (CTC) Military personnel must first stop by your Education Center prior to requesting CLEP or DSST exams!

## **Higher Education Track (VOW)**

This two-day workshop will assist in making the transition easier from the Army to College Classroom and on to the Job Market with the right degree. Workshops are held every Tues/Wed or Thurs/Fri from 8:00 am – 4:30 pm. Sign-up by completing a registration form at the Education Center Front Desk Bldg. 33009, room D213.

## **Career Skills Program (CSP)**

The Army Career Skills Program allows Soldiers to gain vital experience in the civilian sector through (pre)apprenticeships, on-the-job training, employment-skills training, and internships during their last 180 days in the Army. Contact the CSP staff for more information (254) 287-6518 Bldg. 33009, G261.

## Transition Assistance Program (TAP)

<https://www.facebook.com/FortHoodSFLTAP>  
(254) 288-2227/5627

Transition Assistance Program (TAP) is the lead Army agency charged with assisting commanders in executing their Veterans Opportunity to Work (VOW)/National Defense Authorization Act (NDAA) mandated transition mission. TAP is critical to Army readiness. TAP spearheads transition efforts by providing full-spectrum services to Soldiers, Retirees, eligible DA Civilians, and their families. Army policy requires all Soldiers begin statutory VOW/NDAA transition actions no later than 366 days prior to separation; 24 months prior to mandatory retirement date; and immediately upon identification for any un-programmed loss. All must complete every required Career Readiness Standard (CRS). Soldiers train during the duty day, and receive mandated counseling, as well as a host of employment life skills training (resume, salary negotiations, etc.) key to highly successful transition to civilian life.

The foundation for Active Duty Soldiers transition activities is the mandatory Five-Day VOW Workshop. TAP trains 235 Soldiers, 41 weeks a year. All classes are separated by rank; target a tiered audience; and welcome spouses. Weekly Senior (SFC and above), and bi-monthly Executive (SGM/LTC and above) Workshops are tailored to their unique needs. Optional Two-day Seminars, in the areas of Career Technical (Trade School); Higher-Education (College/University); Entrepreneur Tracks; are available to all Soldiers, Retirees and their families. Currently during COVID, all classes and training are conducted in person. Fort Hood TAP will enforce the III Corps Commander's COVID policy.

All COVID precautions are in place. Soldiers still have the option to conduct The NDAA Act workshop via JKO or the Virtual Center.

Unique to Fort Hood is the Army 101-Employer Day. Preparing Soldiers for transition is only half of the equation. Fort Hood realizes most industry hiring processes target college graduates and within-industry employees of competitors; Soldiers are neither. Therefore, Fort Hood TAP developed the Army 101Seminar to educate industry leaders on the value of Soldiers as preferred employees. Army 101 teaches industry to retool their internal process to recruit, vet, hire and retain more Soldiers.

Additional transition opportunities authorized under the VOW/NDAA included participation in up to 22-weeks of on-duty Career Skills Programs (CSP) offered by industry, during a Soldier's final 180 days on active duty. Graduation results in the high probability of employment. Seats are limited and selection is highly competitive. Soldiers must be in good standing with the command; on track for an honorable discharge; have support of their Battalion Command Team; and commit to achieving the highest of industry standards. Current Fort Hood CSP operating at Fort Hood include 21 approved training programs ranging from 5 – 21 weeks. The Career Skills Program briefing is conducted the first Tuesday of the month.

## **Weather and Wildfire Information**

**Heat Wave:** Extreme heat is a period of high heat and humidity with temperatures above 90 degrees for at least two to three days. In extreme heat your body works extra hard to maintain a normal temperature, which can lead to death. In fact, extreme heat is responsible for the highest number of annual deaths among all weather-related hazards. If you are under an extreme heat warning consider the following: 1) find air conditioning, 2) avoid strenuous activities, 3) wear light clothing, 4) check on family members and neighbors, 5) drink plenty of fluids, 6) watch for heat cramps, heat exhaustion and heat stroke and 7) never leave people or pets in a closed car. Prepare for Extreme Heat! Visit the Ready Army and ready.gov sites for additional preparedness information.

**Tornado:** Tornado season in Texas is typically March through August, but a tornado can occur any month of the year. Strong winds are the most destructive aspect with gusts reaching as high as 300 mph.

# Fort Hood Community Information Sheet

---

Eighty percent of tornadoes occur between noon and midnight. While some areas are more prone to tornadoes than others, they can occur anywhere. If you are under a tornado warning, find safe shelter right away. Visit the Ready Army and ready.gov sites for additional preparedness information.

**Wildfire:** Fire season in Central Texas is typically May through October. However; Fort Hood is subject to range fires year around as we conduct training in our established range and training areas. Wildfires can start unexpectedly and spread quickly. You may not be aware of a wildfire until you are in danger, so it is important to be prepared. Visit the Ready Army and ready.gov sites for additional preparedness information.

• • •

## Shelter-In-Place

**Prepare Strong.** The Army encourages all personnel to maintain a basic level of preparedness for all potential hazards. You are encouraged to get an emergency supply kit, make a family emergency plan, and be informed about what might happen. It is your responsibility to understand the mass warning system at your installation and, when notified, be prepared for the following:

- Evacuation
- Moving to civilian shelter
- Moving to designated safe haven
- Temporarily sheltering-in-place

Sheltering-in-place means to take temporary protection in a structure or vehicle - typically your workplace or residence - that is not certified, insured, or staffed for emergency conditions. Installation procedures designate which responsible party or office will order personnel to shelter-in-place and for how long the order is expected to be in effect. You may be asked to shelter-in-place because of a tornado; flooding; extreme weather; chemical; radiological; suspicious activity or other hazards.

**Remember, preparing your residence is your own responsibility.**

### How to Prepare

- Have an emergency supply kit ready.
- Know how to turn off your heating, ventilation, and air conditioning (HVAC) systems without damaging the components.
- Know how to close and secure doors, windows, vents, and other exterior openings quickly.
- Identify potential interior space for sheltering-in-place.

### How You Will Be Notified

Any of the following emergency warning procedures may alert you to shelter-in-place:

- A voice announcing system using exterior (Giant Voice) and interior speakers or sirens
- Automated Community Notification Systems for sending recorded voice messages or text
- Public Affairs Office notification via social media
- Local television and radio broadcast
- Residential route alerting - messages announced from vehicles with loudspeakers

## **Alert! Mass Warning and Notification System (MWNS)**

The Alert! System is an emergency mass warning and notification system (MWNS) that provides Fort Hood with mass warning and notification during a crisis to warn affected military and DA civilian personnel. The Integrated Public Alert and Warning System (IPAWS), like the Amber Alert system, is used on Fort Hood to alert and warn all personnel in the Fort Hood area who are using a cell phone / smart phone.

The Alert! System relies on the contact information provided when individuals register. Anyone logging into a Fort Hood computer or network via the .mil connection and not previously registered will be prompted to register.

The Alert! MWNS can communicate via desktop pop-up, telephone, SMS and email. Ensuring your information is updated and correct helps increase Fort Hood Installation Operations Center notification capabilities and response times in emergency situations.

During emergencies, it is critical to be able to quickly and accurately inform Fort Hood personnel, notify them of threats and provide them with instructions. The system relies on the contact information you provide when registering with Alert!

## **See Something, Say Something**

Suspicious activity is any observed behavior that could indicate anything from criminal activity to terrorism-related crime. This can include seeing unusually placed items or situations that are out of the ordinary, a person eliciting information such as the operations or security procedures for a facility or the personnel employed, or someone paying unusually close attention to facilities or operations beyond casual or professional interest. Some of these activities could be innocent. It is up to law enforcement to determine whether the behavior warrants investigation. The activities above are not all-inclusive, but have been compiled based on studies of pre-operational aspects of both successful and thwarted criminal and terrorist events over several years.

Informed, alert communities play a critical role in keeping us safe. We can all help in keeping our community safe by paying attention to our surroundings and reporting suspicious activity to local law enforcement. If you see suspicious activity, report it to 288-COPS (2677) on Fort Hood or your local law enforcement agency immediately. Describe specifically what you observed to include who or what it

was, when you saw it, where it occurred, and why it's suspicious. Your diligent observation and reporting of any suspicious activity could help someone in your community or prevent a crime or even a terrorist event.

For more information, contact Mr. Glenn Fogle (254) 287-3940, USAG Fort Hood OPSEC Manager.

## Fort Hood Critical Information List

Operations Security protects sensitive, but generally unclassified information that is critical to our mission. Critical information consists of *specific* facts about our *capabilities, activities, limitations and intentions* (CALI). The critical information is so vital to the mission that if the adversary obtains it, correctly analyzes it, and acts upon it, the compromise could prevent or seriously degrade mission success. The Critical information List (CIL) documents an organization's critical information that should be protected. The Fort Hood CIL is as follows:

- **S**ensitive Reports: reports containing sensitive and / or personally identifiable information (PII) or information pertaining to mission readiness such as blotters, battle damage assessments, recall rosters, manning documents, etc.
- **E**merging Tactics, Techniques, and Procedures (TTP): newly administered TTPs to improve mission effectiveness such as ways to avoid or detect IEDs, convoy protection methods, etc.
- **N**etwork & Communications Related: call signs, frequencies, passwords, Automated Information Systems (AIS) protection (types used, measures, and procedures), changes in message volume, etc.
- **S**ecurity Plans and Procedures: Random Antiterrorism Measures, shift change for guards, changes in Force Protection Conditions (FPCON), Defense Conditions (DEFCON) or Information Conditions (INFOCON), etc.
- **I**ntelligence, Surveillance and Reconnaissance (ISR): intelligence resources, collection techniques, ongoing operations and goals, counterintelligence operations, etc.
- **T**roop Movements & Travel: deployment / redeployment Date-Time-Group (DTG), locations, itineraries, ports, routes, embarkation points, VIP / High Risk Personnel (HRP) travel, TDY orders, leave for large groups or entire units, emergency recall of personnel, etc.
- **I**nformation Pertaining to Current / Future Operations (FUOPS): deployment plans, exercises, scope of operations, planning details, specific Courses of Action (COA) for forces, Rules of Engagement (ROE) / Rules for Use of Force (RUF), Military Information Support Operations (MISO), and Military Deception operations (MILDEC), Security Access Program (SAP) elements in contracts, etc.
- **V**ulnerabilities: a condition that allows the adversary time to observe, orient, decide and act against us in areas such as critical infrastructure, building schematics that show security weaknesses, physical security shortfalls, etc.
- **E**quipment Specifications and Limitations: shortfalls, vehicle schematics, vehicle battle damage assessments, weapons systems, research and development (R&D) projects, electronic systems, software used in new systems, etc.

For more information, contact Mr. Glenn Fogle (254) 287-3940, USAG Fort Hood OPSEC Manager.

## *Public Safety Awareness Flyer*

### *School Safety and Security on Fort Hood*

As the summer is drawing to a close and the school year begins, DES would like to share with all Fort Hood students and family members the security measures and resources put in place to ensure the utmost safety for the students on our installation.

In addition to Military Police patrols assigned in sector, DES has specialized School Resource Officers (SRO) whose sole mission is to ensure the safety and security of the schools on Fort Hood. These Soldiers support the schools by conducting frequent outer and inner security checks, as well as engaging with students to promote an environment of trust and reliability.

#### ***Roles and Responsibility of the School Resource Officer:***

- Deters school ground violence and criminal activity
- **Protects students and staff from threats of violence**
- Improve relationships between law enforcement and youth
- **Ensures physical security measures are complied with at the school**
- Responds to emergencies or other calls for service on school property
- Conducts criminal investigations, and shares information with investigation units
- Builds relationship with faculty and staff to assist when responding to incidents
- Assist and advise the school administration in maintaining a safe and secure environment for both the students and staff

Additional security safety measures are standardized throughout the schools on Fort Hood to ensure only the students, faculty, and other authorized personnel can enter without further verification. All schools keep exterior doors locked. Parents or other guests who wish to enter schools on post must be “buzzed” into the school, and then present identification to faculty prior to being granted access. Classrooms are locked while class in session; a student or a teacher has to open a door from the inside to grant entry to any person(s) in the hallway. Finally, all schools have designated pick-up and drop-off locations for students in order to maintain a healthy traffic flow and guarantee positive control of each students’ safety.

The continued safety and security of the children and students on Fort Hood remains a top priority for DES and the law enforcement personnel that serve our community. During the first week of school, expect to see an increased patrol presence to welcome back our children and ensure a safe environment for learning!

**If you have any active concerns about the safety and/or security of a school, please contact Fort Hood Dispatch at (254) 288-1024.**
