**Carl R. Darnall Army Medical Center**

<https://darnall.tricare.mil>

### **Healthcare Operations:**

- To minimize the risk of COVID exposure, the Defense Health Agency has directed and requires all visitors, patients and staff members entering CRDAMC to wear masks where patients could be encountered, including all patient treatment areas, common hallways/corridors, the hospital cafeteria, and front desks.
- For health questions and information, patients may contact the MHS 24-hour Nurse Advice Line at 1.800.TRICARE. Chat and video chat is also available at [mhsnurseadvice.com](https://mhsnurseadvice.com)

### **COVID-19 Testing and Vaccines:**

- At-Home COVID-19 Test Kits are now available for those ages two (2) years and older who are enrolled at CRDAMC Internal Medicine, Pediatrics, Family Medicine Clinics and Community-Based Medical Homes. Enrolled beneficiaries may receive up to eight (8) kits per beneficiary per month. To receive the test kits, individuals are asked to stop by their clinic during business hours. Patients with active COVID-19 symptoms should contact the clinic before their arrival to discuss best testing options.
- Vaccinations can be received at beneficiary Primary Care Clinics and Community Based Medical Homes. Please contact your Primary Care Clinic or Community Based Medical Home through secure messaging at [patientportal.mhsgenesis.health.mil](https://patientportal.mhsgenesis.health.mil), or by phone to schedule a vaccination. Active-duty service members can contact Bennett SCMH at (254) 618-8040/ (254) 288-6929 or Thomas Moore SCMH at (254) 553-8674 to schedule their vaccination. All eligible beneficiaries (active duty, family members, retirees, and DOD personnel) can receive the vaccines. The 1st and 2nd dose vaccines are available for all DOD-eligible beneficiaries 12 years and older, and the booster dose for beneficiaries 16 years and older. Please contact your primary care clinic home for an appointment.
- Booster shots are available for individuals who've already received their second Pfizer vaccine at least six months ago. For additional information visit: <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-with-medical-conditions.html>
- COVID-19 pediatric vaccinations for children 5 to 11 are offered at the Pediatric Clinic, Clinic 1 on the first floor of the hospital. For appointments, please call (254) 553-3523. Walk-ins are also welcome. Visit [www.vaccines.gov](https://www.vaccines.gov) to locate a network pharmacy that offers COVID vaccines for children outside of the Pediatric Clinic.
- Active-duty service members must report to their assigned home clinic for COVID-19 testing during sick call hours 6:30 am to 10:00 am.
- The Primary Care Clinics, Community Based Medical Homes, and Soldier Centered Medical Homes offer limited testing for patients experiencing COVID-19 symptoms. Beneficiaries can book an appointment by phone. Clinics will screen patients IAW DOD guidelines.
- The Emergency Department does not perform routine COVID-19 testing; however, it does offer official travel and OCONUS PCS 48-hour testing after regular duty hours. For more information call (254) 288-8114.

The "Q" number is valid for the day it was issued; otherwise, check-in at the pharmacy kiosk to get a new ticket for medication pick-up within 7 days.

Alternatively, you may activate new prescriptions by calling the Pharmacy Call Center at (254) 288-8800 or in-person by checking in at the pharmacy kiosk.

Scripter Refill Kiosk remains available at the main hospital Bldg. 36065 and Clear Creek PX pharmacies. Drop-off service continues for new prescriptions.

## **Counseling**

Education counseling services has returned to walk-in services. Stop by the Education Center to see an Education Counselor at 33009 761<sup>st</sup> Tank Battalion Blvd.

## **Unit Briefings**

Sometimes it's easier for one Education Services Division (ESD) team member to come to your unit to provide a briefing on Tuition Assistance, Credentialing Assistance, Education Opportunities, VA Benefits, etc. than for your soldiers to trickle in and back to work in a timely manner. If you would like ESD to come to your unit to provide a briefing on anything education related (we can even bring our on post school representatives if requested) please contact our Unit Program Manager, Jennifer Anderson, at [Jennifer.m.anderson66.civ@army.mil](mailto:Jennifer.m.anderson66.civ@army.mil) to get a briefing scheduled.

## **Unit Classes**

Do you support Soldier education and are looking to make that easier for your soldiers? Our 5 on-post schools can support unit classes. Unit classes are courses you've identified as a need—for example, perhaps you have 10 soldiers who need a basic writing class or Algebra 101. The best time for your soldiers is during lunch or perhaps 9:00 am - 10:00 am is the best time for your unit—you set the course, you set the time, you set the location (some units have space within their unit or it can be held at ESD). ESD then coordinates with one of our 5 on-post schools to make the magic happen. In addition, our schools can offer non-credit professional improvement sessions. For example, if you are looking for a lunch-time session (or anytime session) for your supervisors on Writing Appraisals or How to Provide Effective Appraisal Feedback, etc., then our on-post schools can assist in meeting your needs. There needs to be a minimum of 30 business days lead time in order to establish unit classes. Contact our College Program Manager if you are interested in learning more about establishing Unit Classes or non-credit sessions. Ms. Judkins can be reached at [frances.c.judkins.civ@army.mil](mailto:frances.c.judkins.civ@army.mil)

## **Tuition Assistance/Credentialing Assistance**

If you have not used TA/CA within the last 12 months, you are required to attend a Tuition Assistance (TA)/Credentialing Assistance (CA) Briefing. Briefings are offered Tuesday, 9:30 am & Wednesdays, 1:30 pm — no pre-sign-up required. Unit briefings can be accommodated upon request.

## **Testing**

Testing is available by appointment for the Army Personnel Testing (APT) such as AFCT, DLPT, DLAB, OPI, SIFT, TABE, ECLT, or Air Force (AFTADL), etc. Our APT test scheduling process is undergoing some changes. While we finalize that process, please contact testing at (254) 287-4292 to schedule an appointment.

## **Basic Skills Education Program (BSEP)**

Contact the BSEP office at (254) 287-4292 or (254) 287-7605 to learn more or get scheduled.

## **CLEP or DSST Testing**

CLEP: The College-Level Examination Program (CLEP) is a series of computerized examinations in 34 introductory college subjects that allow individuals to earn college credit for what they already know about the subject regardless of how that knowledge is acquired. CLEP exams are 90 minutes long and are administered on computer. Test examinee receives instant score reports following completion of the exam with the exception of College Composition. The exams are made up primarily of multiple-choice questions; however, some exams do have fill-ins.

DSST: Through DANTES Subject Standardized Tests (DSSTs) exams, Service members and civilian learners can demonstrate that they have knowledge comparable to someone who completed the classroom course in the subject. DSSTs are offered in a variety of areas including various aspects of business, mathematics, subjects within social sciences, physical science, and humanities as well as foreign languages.

CLEP and DSST exams are free to Active Duty military. While offered via Central Texas College (CTC) Military personnel must first stop by your Education Center prior to requesting CLEP or DSST exams!

## **Career Skills Program (CSP)**

Contact the CSP staff for more information (254) 287-6518 Bldg. 33009, G261.

## **Transition Assistance Program (TAP)**

<https://www.facebook.com/FortHoodSFLTAP>  
(254) 288-2227/5627

Transition Assistance Program (TAP) is the lead Army agency charged with assisting commanders in executing their Veterans Opportunity to Work (VOW)/National Defense Authorization Act (NDAA) mandated transition mission. TAP is critical to Army readiness. TAP spearheads transition efforts by providing full-spectrum services to Soldiers, Retirees, eligible DA Civilians, and their families. Army policy requires all Soldiers begin statutory VOW/NDAA transition actions no later than 366 days prior to separation; 24 months prior to mandatory retirement date; and immediately upon identification for any un-programmed loss. All must complete every required Career Readiness Standard (CRS). Soldiers train during the duty day, and receive mandated counseling, as well as a host of employment life skills training (resume, salary negotiations, etc.) key to highly successful transition to civilian life.

# Fort Hood Community Information Sheet

---

The foundation for Active Duty Soldiers transition activities is the mandatory Five-Day VOW Workshop. TAP trains 235 Soldiers, 41 weeks a year. All classes are separated by rank; target a tiered audience; and welcome spouses. Weekly Senior (SFC and above), and bi-monthly Executive (SGM/LTC and above) Workshops are tailored to their unique needs. Optional Two-day Seminars, in the areas of Career Technical (Trade School); Higher-Education (College/University); Entrepreneur Tracks; are available to all Soldiers, Retirees and their families. Currently during COVID, all classes and training are conducted in person. Fort Hood TAP will enforce the III Corps Commander's COVID policy.

All COVID precautions are in place. Soldiers still have the option to conduct The NDAA Act workshop via JKO or the Virtual Center.

Unique to Fort Hood is the Army 101-Employer Day. Preparing Soldiers for transition is only half of the equation. Fort Hood realizes most industry hiring processes target college graduates and within-industry employees of competitors; Soldiers are neither. Therefore, Fort Hood TAP developed the Army 101 Seminar to educate industry leaders on the value of Soldiers as preferred employees. Army 101 teaches industry to retool their internal process to recruit, vet, hire and retain more Soldiers.

Additional transition opportunities authorized under the VOW/NDAA included participation in up to 22-weeks of on-duty Career Skills Programs (CSP) offered by industry, during a Soldier's final 180 days on active duty. Graduation results in the high probability of employment. Seats are limited and selection is highly competitive. Soldiers must be in good standing with the command; on track for an honorable discharge; have support of their Battalion Command Team; and commit to achieving the highest of industry standards. Current Fort Hood CSP operating at Fort Hood include 21 approved training programs ranging from 5 – 21 weeks. The Career Skills Program briefing is conducted the first Tuesday of the month.

## **Alert! Mass Warning and Notification System (MWNS)**

The Alert! System is an emergency mass warning and notification system (MWNS) that provides Fort Hood with mass warning and notification during a crisis to warn affected military and DA civilian personnel. The Integrated Public Alert and Warning System (IPAWS), like the Amber Alert system, is used on Fort Hood to alert and warn all personnel in the Fort Hood area who are using a cell phone / smart phone.

The Alert! System relies on the contact information provided when individuals register. Anyone logging into a Fort Hood computer or network via the .mil connection and not previously registered will be prompted to register.

The Alert! MWNS can communicate via desktop pop-up, telephone, SMS and email. Ensuring your information is updated and correct helps increase Fort Hood Installation Operations Center notification capabilities and response times in emergency situations.

## ***See Something, Say Something***

Suspicious activity is any observed behavior that could indicate anything from criminal activity to terrorism-related crime. This can include seeing unusually placed items or situations that are out of the ordinary, a person eliciting information such as the operations or security procedures for a facility or the personnel employed, or someone paying unusually close attention to facilities or operations beyond casual or professional interest. Some of these activities could be innocent. It is up to law enforcement to determine whether the behavior warrants investigation. The activities above are not all-inclusive, but have been compiled based on studies of pre-operational aspects of both successful and thwarted criminal and terrorist events over several years.

Informed, alert communities play a critical role in keeping us safe. We can all help in keeping our community safe by paying attention to our surroundings and reporting suspicious activity to local law enforcement. If you see suspicious activity, report it to 288-COPS (2677) on Fort Hood or your local law enforcement agency immediately. Describe specifically what you observed to include who or what it was, when you saw it, where it occurred, and why it's suspicious. Your diligent observation and reporting of any suspicious activity could help someone in your community or prevent a crime or even a terrorist event.

For more information, contact Mr. Glenn Fogle (254) 287-3940, USAG Fort Hood OPSEC Manager.

## **Information Sheet**

We are a faith-based, non-profit 501C3 organization, now in our **35th** year. The Food Care Center was founded in 1987 by a collaborative effort between the local 1<sup>st</sup> Baptist Church and St. Joseph's Catholic Church. Our mission is "standing in the gap created by hunger."

We have no qualifying criteria; when people say they are hungry and need food, we provide it—and always at no cost. We provide 35-40 pounds of food per client visit which equates to enough food for 30 meals or 10 days of food. Clients can get assistance once each month and we never charge our clients for groceries.

In FY '22, we have provided groceries for over 90,000 clients, distributing over 2,600,000 pounds of food. We continue to see increased need for groceries during these uncertain times brought on by inflation and the Covid-19 pandemic.

20% of our clients are military related (active duty and/or retired/veteran).

20% of our clients are children.

20% of our clients are seniors.

We belong to the community as we are funded by individual, local business, church, and service organization donations and we're fueled by local volunteers.

We have only 6 paid staff and 100+ volunteers who work well over 1600 volunteer hours each month.

We can provide one meal for the cost of 17 cents. So, for each \$1 donation we can buy 6 meals. Our fundraising and administrative costs are less than 5% of our total budget.

Our hours of operation are 9:00AM – 1:00PM, Tuesday through Friday, and 4:00PM -6:00PM on the first and third Fridays of each month.

Please call (254)554-3400 with any questions or comments. Our web site is [www.foodcare.org](http://www.foodcare.org) and our e-mail is: [foodcare@embarqmail.com](mailto:foodcare@embarqmail.com). Donations can be made at our website or by check sent to P.O. Box 1656, Killeen, TX 76540-1656. You may also review photographs and stories celebrating supporters, volunteers, and clients on our Food Care Center Facebook page.

# Food Insecurity

MFAN has been studying food insecurity in the military population since 2017. MFAN's Military Family Support Programming survey aims to assess military food insecurity using the USDA Six-Item Short Form Food Security Scale.

## In 2021, one in six military and veteran families experienced food insecurity or hunger

Of the **16.6% of military and veteran families that experienced food insecurity or hunger**, 9.0% were "hungry" or had very low food security, and 7.6% were "food insecure" or had low food security. There is a significant relationship between food insecurity and enlisted rank, geography, race, and ethnicity.

### Enlisted ranks

**23.3% of military and veteran families were experiencing food insecurity or hunger.** This is striking in comparison to the 4.4% of food insecure or hungry families at the officer ranks.

### Geography

Military and veteran families in the following states reported the highest frequencies of food insecurity: **TX, VA, WA, NC, CA, FL, HI, IL, GA, AZ.**

### Race

**American Indian or Alaskan native respondents experience hunger at higher levels than any other demographic**, with >20% identifying as hungry. An additional 16.5% were food insecure, and 8.3% experienced marginal food security.

### Ethnicity

Of the 1,249 respondents identifying as **Hispanic or Latinx in 2021, 13.2% of this population were experiencing hunger**, and an additional 12% were experiencing food insecurity.

**White, non-Hispanic respondents were statistically less likely to be hungry or food insecure than non-white, Hispanic respondents.**

## More than 95% of food insecure families used support resources including federal benefits and community resources

Respondents who did not utilize support resources did so for three main reasons:

**Did not need support (45.7%)**

**Support access struggles (34.6%)**

**Stigma (16.4%)**

**Support access struggles:** "Options are not available here. My spouse's income is too much to qualify for any assistance as well as his rank. When we are used to having more than double the income, finances become difficult."

Those that did use food support resources used the following resources:

- WIC
- Pandemic Electronic Benefit Transfer (P-EBT)
- Free or reduced school meals
- Family and community foodbanks

**Supports used:** "[The food drive] provided so much help, and the food really could last quite a while. The kids' free lunches really help, so we don't have to worry about what to pack the kids for lunch every day and know they are eating a good lunch. The P-EBT was the most helpful because we could grocery shop quite a few times without worrying."

## Food insecurity fluctuated over time and was worsened by worldwide events such as the COVID-19 pandemic

Data was collected using the USDA Six-Item Short Form Food Security Scale in 2019, 2020, and 2021.

**2019**

One in eight military and veteran families were experiencing food insecurity.

**2020**

During COVID-19, one in five military and veteran families were food insecure.

**2021**

One in six military and veteran families are food insecure.
